1.07	Subject Code	ETRP
1.08	Year	2017 (7)
1.09	Quality Control	Final Test, OFSE, see evaluation
1.10	Limitations	Min 12 and Max 32 students in one class
1.11	Combined with	All Students from all Faculties
1.12	Pre-requisite	None
1.13	Responsible	Dr. Tutun Nugraha
1.14	Revision	15-05-2017/pp

2 Description of Subject

This course discusses the necessity to comprehend religious studies as a discipline which works through various approaches of social sciences namely sociology, psychology, phenomenology, cultural and philosophical analysis. While this subject is not focused on particular religious' belief, the discipline required pluralistic inquiry to broaden knowledge on different religious belief, open up discussion within multicultural milieu and share spiritual experiences. This subject also requires experimental exposure within various team work i.e. visit to worship site other than his/her own religion's, media monitoring on religious life, and mini project on promoting tolerance, interfaith dialogue, and peace building.

3
